DOCUMENT RESUME

ED 284 782 SO 018 221

TITLE Population Education Accessions Lists, July-December 1986.

INSTITUTION United Nations Educational, Scientific, and Cultural Organization, Bangkok (Thailand). Regional Office for Education in Asia and the Pacific.

PUB DATE 87

NOTE 51p.; A product of the Population Education Programme Service.

PUB TYPE Reference Materials - Directories/Catalogs (132)

EDRS PRICE MF01/PC03 Plus Postage.

DESCRIPTORS Adult Education; Developing Nations; Family Planning; Foreign Countries; Higher Education; *Information Sources; Migration; *Population Education; Population Trends; Secondary Education; Urbanization

IDENTIFIERS Africa; Asia; Pacific Region

ABSTRACT

Part I of this resource guide contains listings of instructional materials, computer-assisted instructions, classroom activities and teaching methods. Part II deals with the knowledge base of population education. These publications are divided into 11 topics including: (1) demography; (2) documentation; (3) education (including environmental, functional literacy, family planning, sexuality); (4) fertility and family planning; (5) health and nutrition; (6) information and communication; (7) migration, urbanization, and human settlement; (8) population trends; (9) research and evaluation; (10) socio-economic factors; and (11) women. A listing of publishers and sources is also given. (SM)

53. *God helps those who help themselves* (filmstrip). FAO, Rome, n.d. 76 fr.; colour. Recorded commentary (cassette) in English. Produced in Bangladesh, the filmstrip aims to motivate village extension workers. It shows man's efforts to develop food production to match his increasing numbers. However, if he is to continue to balance food supply and

Food
Family Planning

population growth, individual families must limit their numbers.

PART II
KNOWLEDGE BASE INFORMATION

The publications listed in this section, Part II, deal with the Knowledge base of population education. These publications are divided into eleven topics:

1. Demography
2. Documentation
3. Education (including environmental, family planning, sexuality)
4. Fertility and family planning
5. Health and nutrition
6. Information and communication
7. Migration, urbanization and human settlement
8. Population trends
9. Research and evaluation
10. Socio-economic factors
11. Women

Please note that requests for documents listed in this part should be addressed directly to the source listed on pages 40-44.
